

ANDREW RADFORD

Syntax

A minimalist introduction

verb A category of word which has the
morphological property that it can carry
a range of inflections including past tense
(e.g. third person singular present tense →
perfective → and progressive → e.g. let
she ^{has} shown / showed / shown / showing),
and the syntactic property that it can head
a complement of infinitival to-see ("Do
you want to see me?"). See ch. 2.
