*Preface*

*page ix*

## **Part 1 Preliminaries**

- |   |   |    |
|---|---|----|
| 1 | <b>The ever-whirling wheel</b>            | 3  |
|   | The inevitability of change               |    |
| 2 | <b>Collecting up clues</b>                | 18 |
|   | How linguists piece together the evidence |    |
| 3 | <b>Charting the changes</b>               | 32 |
|   | How linguists study changes in progress   |    |

## **Part 2 Transition**

- |   |   |    |
|---|---|----|
| 4 | <b>Spreading the word</b>                     | 49 |
|   | How changes spread from person to person      |    |
| 5 | <b>Conflicting loyalties</b>                  | 62 |
|   | Opposing social pressures within a change     |    |
| 6 | <b>Catching on and taking off</b>             | 76 |
|   | How sound changes spread through a language   |    |
| 7 | <b>Caught in the web</b>                      | 89 |
|   | How syntactic changes work through a language |    |

### **Part 3 Causation**

- |           |                                    |            |
|-----------|------------------------------------|------------|
| <b>8</b>  | <b>The reason why</b>              | <b>105</b> |
|           | Sociolinguistic causes of change   |            |
| <b>9</b>  | <b>Doing what comes naturally</b>  | <b>124</b> |
|           | Inherent causes of language change |            |
| <b>10</b> | <b>Repairing the patterns</b>      | <b>138</b> |
|           | Therapeutic changes                |            |
| <b>11</b> | <b>The Mad Hatter's tea-party</b>  | <b>151</b> |
|           | Chain reaction changes             |            |

### **Part 4 Beginnings and endings**

- |           |                                       |            |
|-----------|---------------------------------------|------------|
| <b>12</b> | <b>Development and breakdown</b>      | <b>165</b> |
|           | Child language and language disorders |            |
| <b>13</b> | <b>Language birth</b>                 | <b>180</b> |
|           | How languages begin                   |            |
| <b>14</b> | <b>Language death</b>                 | <b>197</b> |
|           | How languages end                     |            |
| <b>15</b> | <b>Progress or decay?</b>             | <b>210</b> |
|           | Assessing the situation               |            |
